

DOON ASSURED HE IS MANAGER

New President Locke Tells Leader That He's to Deal with Players.
Philadelphia, January 21.—Charles Doon has at last ascertained that he is the untrammelled, unbossed manager of the Phillies, and that he is to be held strictly accountable for the management of the team during the coming season. Here is the way Doon found out he was "it":

A few mornings ago William H. Locke, the new president of the Phillies, and Manager Doon sat in the new offices of the club. The boy had just brought the mail, and in it was a letter from one of the players. Doon opened it, read it, and showed the letter toward Locke for him to read.

"What's it all about?" asked Locke, without taking the proffered letter. Charles told him in a few words as possible.

"Oh, that's something for you to attend to," remarked Locke. "You're manager of the club and you are the one to deal with the players."

PENN INVITES RELAY RUNNERS

Philadelphia, January 21.—The annual intercollegiate and interscholastic relay races of the University of Pennsylvania will be held on Franklin Field April 26, and will be open to all the colleges and universities of the United States and Canada. There will be three races to determine the college championship of America. One race will be for a mile, each of the contestants running one mile. The second race will be for four miles, each member of the relay team running a mile. The third race will be for a distance of two miles.

For several seasons, Penn's relay meet has been the largest track carnival of its kind in college athletics. More than 20 relay teams have entered in past years, and it is expected that a greater number will contest this year. The Pennsylvania authorities have, with unusual care, classified the various colleges and universities into groups and have arranged events for the different groups. The championship events, however, are open. The prizes include silver banners, gold watches, and silver cups.

In addition to the relay races there will also be scratch events, open only to college men, graduate or undergraduate, in which the first prize will be a gold watch; 100-yard dash, 120-yard hurdle, high jump, broad jump, shot-put, hammer-throw, discus, and pole vault.

BOWLING

The Alices and the Richmond Lunch teams, of the Newport League, played a double-header last night on the Newport Alley. They smashed the maple right and left. Some remarkable high scores were made by both teams. The Alices, led in the third game, came within two pins of the thousand mark. The Alices won five out of the six games.

To-night the Bishop Shirt Co. team and the Everett Waddy Co. five, of the Commercial League, will meet on the Newport Alley, and as the teams are now tied for first place, a hot contest is looked for.
